Terms	Subtotal	\$75.00
Due upon receipt.	Paid To Date	\$0.00
Please Note:	Balance Due	\$75.00

1. We desire to transition our sustaining membership billing process from US Mail to email where possible. Please let us know if we may bill you via email in the future or whether you prefer to continue receiving bills via US Mail.
2. If you elect to receive invoices by email you will also be provided a link to view your invoice and account status online and pay via credit/debit card or PayPal rather than mailing a check. Please note that an online payment will include a processing fee (total will equal \$76.95 per property). You may also choose to continue mailing a check.
3. Please inform us of any updates or corrections we need to make to your information. If you elect to receive invoices via email the link provided will also give you the ability to update your own information.

Thank you for your generous support of the Townsend Area Volunteer Fire Department.

[REDACTED] Sustaining Membership Coordinator
